CORRIGENDUM

TENDER No. CJI2167P20

1.0 Amendment No. 2 dated 14.10.2019 has been issued to incorporate the changes in tender clauses under BEC, SOW and Price Bid Format(Proforma-A) and also to extend the Bid Closing/Technical Bid Opening Date against Tender No. CJI2167P20 as under :

Bid Closing Date & Time : 05.11.2019 at 11-00 hrs. (IST)

Technical Bid Opening Date & Time : 05.11.2019 at 15-00 hrs. (IST)

2.0 The following clauses under BEC, SOW and Price Bid Format (Proforma-A) are amended as under:

Sl. No.	CLAUSE REFERENCE NO.	ORIGINAL CLAUSE	AMENDED CLAUSE/ADDITIONAL CLAUSE
1.	<u>PART - 2,</u> <u>BEC</u> <u>A.</u> <u>TECHNICAL</u> <u>CRITERIA:</u>	-	<u>NEW CLAUSE</u> <u>A. TECHNICAL CRITERIA:</u> 1.6 (a) The vendor has to obtain a Security Audit Certificate for the entire online solution(s) from a CERT-IN empanelled security auditor before making the system live and must submit an UNDERTAKING to this effect, at the time of submission of bid documents. (b) The vendor has to clearly indicate the IT Security approach adopted in their proposed solution(s), including data encryption of confidential data viz., email ID, mobile number, bank details, passwords, etc. to eliminate the possibility of frauds and misuse. (c) The website/web portal must also be secured by using

			<p>SSL Certificate and an UNDERTAKING to this effect must be submitted, at the time of submission of bid documents.</p> <p>(d) The vendor's organisation must have achieved minimum CMMI Level – 3 Certification and certificate to this effect must be submitted.</p> <p>(e) The vendor's organisation must have compliance with ISO 20000 and certificate to this effect must be submitted.</p>
2.	<p><u>PART – 2</u> <u>BEC</u></p> <p><u>A.</u> <u>TECHNICAL</u> <u>CRITERIA:</u></p>	-	<p>NEW CLAUSE</p> <p><u>A. TECHNICAL CRITERIA:</u></p> <p>1.7 (a) Bidder must confirm and certify that they have the capacity in smoothly conducting Test(s) for ten thousand (10,000) candidates per session, with holding of tests up to three (3) sessions in single day considering test Centre/s at Jaipur and Jodhpur. Otherwise the bid will be rejected.</p> <p>Note: The capacity in smoothly conducting Test(s) for ten thousand (10,000) candidates per session means the COMBINED Capacity of Test Centre/s at Jaipur and Jodhpur in the same session/time slot.</p>
3.	<p><u>PART – 3</u> <u>SECTION – II</u> <u>(SOW)</u></p>	<p>Part: (A) Application Management and associated deliverables:</p> <p>MODULE II: CLEANING OF DATA, PREPARATION OF SHORTLIST AND HOSTING SHORTLIST</p> <p>1.5 For those, not shortlisted or qualified for CBT or any other trade/skill test a general regret message will appear on the screen. The text of the message</p>	<p><i>Deleted.</i></p>

		will be provided by OIL.	
4.	PART – 3 SECTION – II (SOW)	<p>Part: (A) Application Management and associated deliverables:</p> <p>MODULE IV: PREPARATION OF FINAL RESULT, HOSTING & DECLARATION OF THE FINAL RESULT:</p> <p>1.3 On verification of the merit-list by OIL HR team and written confirmation, the final-result is to be announced on-line by the agency. The candidates should be able to check their selection status by entering a combination of their personal information like Registration number/ email-id and date of birth.</p>	<p>Part: (A) Application Management and associated deliverables:</p> <p>MODULE IV: PREPARATION OF FINAL RESULT, HOSTING & DECLARATION OF THE FINAL RESULT:</p> <p>1.3 On verification of the merit-list by OIL HR team and written confirmation, the final-result is to be announced on-line by the agency. The candidates should be able to check their selection status by entering a combination of their personal information like Registration number/ email-id and date of birth. (a) While uploading the results online for respective test/s, only the Roll nos. of provisionally shortlisted candidates will be shown.</p>
5.	PART – 3 SECTION – II (SOW)	<p>Part: (A) Application Management and associated deliverables:</p> <p>MODULE IV: PREPARATION OF FINAL RESULT, HOSTING & DECLARATION OF THE FINAL RESULT:</p> <p>1.4 Each provisionally selected candidate will be informed about their selection, for which the standard text will be provided by OIL. Similarly, each non-selected candidate will get a regret message as per the text provided by OIL. In both the cases, the downloadable</p>	<p>Part: (A) Application Management and associated deliverables:</p> <p>MODULE IV: PREPARATION OF FINAL RESULT, HOSTING & DECLARATION OF THE FINAL RESULT:</p> <p>1.4 Each provisionally selected candidate will be informed about their selection, for which the standard text will be provided by OIL.</p>

		message will have the Photograph and Registration Number of the Candidates along with date & time on real-time basis.	
6.	PART – 3 SECTION – II (SOW)	<p>Part (B): Question Paper, Answer Sheets of CBT/Trade/Skill Test & Evaluation:</p> <p>xxiv) The entire job of conducting of CBT/trade/skill tests has to be fool proof and total confidentiality shall be ensured and guaranteed by the Contractor at every stage.</p>	<p>Part (B): Question Paper, Answer Sheets of CBT/Trade/Skill Test & Evaluation:</p> <p>xxiv) The entire job of conducting of CBT/trade/skill tests has to be fool proof and total confidentiality shall be ensured and guaranteed by the Contractor at every stage.</p> <p>(a) Service provider has to ensure that detail instructions for the respective test/s are mentioned in the Admit Cards to be downloaded by the candidates with clear statement that candidates will not be allowed to carry any other item/s to exam/test Centre/s except for Admit Card and Govt issued Valid Photo ID proof. It will be sole responsibility of the candidate/s to ensure safe keeping of his/her belongings at own risk and arrangements including mobile phones, any other valuables.</p>
7.	PART – 3 SECTION – II (SOW)	<p>Part (B): Question Paper, Answer Sheets of CBT/Trade/Skill Test & Evaluation:</p> <p>xxv) The CBT for eligible candidates for all the posts shall be held on the same day tentatively in the month of Dec-2019 or Jan-2020. However, the final date will be confirmed to the successful bidder at least 45 days in advance of CBT date. The date/s for other Qualifying Tests will be intimated</p>	<p>Part (B): Question Paper, Answer Sheets of CBT/Trade/Skill Test & Evaluation:</p> <p>xxv) The CBT for eligible candidates for all the posts shall be held TENTATIVELY in the month of Feb/March-2020. However, the final date will be confirmed to the successful bidder at least 45 days in advance of CBT date. The date/s for other Qualifying Tests will be intimated</p>

		subsequently by OIL, for which all the arrangements are to be made by the Contractor.	subsequently by OIL, for which all the arrangements are to be made by the Contractor.
8.	PART – 3 SECTION – II (SOW)	<p>Part (C): Conducting CBT, Skill/Trade Tests etc. and Submission of Results:</p> <p>i) The contractor will arrange for fixing up adequate number of suitable test centres with basic amenities in Jodhpur, Rajasthan.</p>	<p>Part (C): Conducting CBT, Skill/Trade Tests etc. and Submission of Results:</p> <p>i) The contractor will arrange for fixing up adequate number of suitable test centres with basic amenities in Jodhpur and Jaipur, Rajasthan.</p> <p>(a)The online application module should include fields for candidates' input to show 1st and 2nd preference of test Centre between Jaipur and Jodhpur. However, a message or note should be displayed at the time of filling online application that preference of test centre will not guarantee allotment of desired test Centre to the candidate/s.</p> <p>(b)If the nos. of candidates appearing are more than 10,000, then multiple sessions should be arranged [i.e. (upto 3 sessions a day, having 10,000 candidates in each session)]. Beyond 3 sessions exams will continue in other days as well.</p> <p>(c) Frisking of candidates with Metal detector while entering Test centres will be required to be ensured by service provider.</p> <p>(d) Pen/Paper for rough work/calculations etc. will be supplied to the candidates for use during the test by the service provider.</p>
9.	PART – 3 SECTION – II (SOW)	<p>Part (C): Conducting CBT, Skill/Trade Tests etc. and Submission of Results:</p> <p>xv) The contractor may be required to set up a counter</p>	<p>Part (C): Conducting CBT, Skill/Trade Tests etc. and Submission of Results:</p> <p>xv) Service provider has to ensure that eligible candidates</p>

		<p>with suitable manpower in each test centre, for reimbursement of TA/DA claims by certain reserved category candidates on production of valid documentary proof as per the condition mentioned in the recruitment notification to be published and further advice from OIL. The amount so disbursed to concerned candidates will be reimbursed to the Contractor after depositing the documentary proofs and their verification.</p>	<p>claiming TA/DA must submit valid documentary proof and sign on a separate sheet to be provided by service provider during the test/s. Since the candidates' Bank Details would be already captured while applying online, the TA/DA claim will be processed by OIL, after scrutiny of documentary proof and signature sheet of candidates received post exam/s from the service provider.</p>
<p>10.</p>	<p><u>PROFORMA-A</u> <u>PRICE BID</u> <u>FORMAT</u></p>	<p>Item No. 1) 1) <u>SOFTWARE DEVELOPMENT:</u> Developing and maintenance of software for receiving online applications from candidates with features including (but not limited to) short-listing of candidates based on automated robust and error free system control, integrating relevant data facilitating finalization of results of Computer Based Test (CBT) as well as various Trade/Skill tests and communication to the candidates, generating various reports and updating of software package as and when required.</p>	<p>Item No. 1) 1) <u>SOFTWARE DEVELOPMENT:</u> Developing and maintenance of software for receiving online applications from candidates with features including (but not limited to) short-listing of candidates based on automated robust and error free system control, integrating relevant data facilitating finalization of results of Computer Based Test (CBT) as well as various Trade/Skill tests and communication to the candidates, generating various reports and updating of software package as and when required. <i>Note:</i> The entire database related to the recruitment is to be preserved by the service provider in secured and confidential manner for a period of five (05) years from the date of completion of Contract and to be shared with OIL in desired format/ report as and when required for internal requirements, responding to RTI queries, court cases or any other purpose.</p>
