

**CORRIGENDUM**

**AMENDMENT No. 06 DATED 17.08.2023**

**TO TENDER NO. SJG3652P24**

1.0 This amendment is issued to amend the Technical specifications and NIT clauses as under in lieu of existing:

Sl. No.	Page No.	Clause No.	Existing Tender Clause & Description	Amended Tender Clause & Description
1	Page 22 of 99	CLAUSE NO. 1.1 UNDER CLAUSE No. 1.0 BIDDER'S QUALIFICATION UNDER CLAUSE NO. A BID REJECTION CRITERIA UNDER BID EVALUATION CRITERIA (BEC)/ BID REJECTION CRITERIA (BRC) IN ANNEXURE-IC	1.1 The bidder shall be an Original Equipment Manufacturer (OEM) of Thermal Wellheads having experience in manufacturing of Thermal Wellhead Assembly as per API specification 6A of pressure rating indicated in the tender or more in previous five (05) years reckoned from the original bid closing date of the tender. Documentary evidence in the form of a valid API 6A certificate for the previous five (05) years (i.e. continuous without having any break in between) from the original Bid Closing Date of this tender shall be submitted along with the bid without which offer will be rejected. OR	1.1 The bidder shall be an Original Equipment Manufacturer (OEM) of Thermal Wellheads having experience in manufacturing of Thermal Wellhead Assembly as per API specification 6A of pressure rating indicated in the tender or more in previous <b>Seven (07)</b> years reckoned from the original bid closing date of the tender. Documentary evidence in the form of a valid API 6A certificate for the previous <b>five (05)</b> years (i.e., continuous without having any break in between) from the original Bid Closing Date of this tender shall be submitted along with the bid without which offer will be rejected.
2	Page 22-23 of 99	CLAUSE NO. 2.1 (a) UNDER CLAUSE No. 2.0 BIDDER'S EXPERIENCE UNDER CLAUSE NO. A BID REJECTION CRITERIA UNDER BID EVALUATION CRITERIA (BEC)/ BID REJECTION CRITERIA (BRC) IN ANNEXURE-IC	a) In case the bidder is an Original Equipment Manufacturer (OEM) of the offered item, the bidder shall have the credential of successful execution of at least one order with minimum quantity not less than 50% of the tender quantity of thermal wellhead of similar specifications having pressure rating indicated in the tender or more in previous five (05) years reckoned from the original bid closing date of the tender to any E & P Company who is in the business of execution of thermal recovery of crude using Cyclic Steam Stimulation (CSS) or Steam Assisted Gravity Drainage (SAGD). The bidder shall have to submit documentary evidence in support of their successful execution of supply order in the form of following documents along with the technical bid.: i) Copy of Purchase Order/Contract with detailed specification ii) Copy of Tax Invoice/Commercial Invoice / Challans/ Consignee delivery receipts/Bill of Lading iii) Copy of Completion Certificate/Commissioning Report	a) In case the bidder is an Original Equipment Manufacturer (OEM) of the offered item, the bidder shall have the credential of successful execution of at least one order with minimum quantity not less than 50% of the tender quantity of thermal wellhead of similar specifications having pressure rating indicated in the tender or more in previous <b>seven (07)</b> years reckoned from the original bid closing date of the tender to any E & P Company who is in the business of execution of thermal recovery of crude using Cyclic Steam Stimulation (CSS) or Steam Assisted Gravity Drainage (SAGD). The bidder shall have to submit documentary evidence in support of their successful execution of supply order in the form of following documents along with the technical bid.: i) Copy of Purchase Order/Contract with detailed specification ii) Copy of Tax Invoice/ Commercial Invoice / Challans/ Consignee delivery

			<p>iv) Letter from the Company to whom the bidder has supplied the thermal wellheads stating success of the product</p> <p>v) Company Profile and details of the Company to whom material has been supplied etc.</p>	<p>receipts/ Bill of Lading</p> <p>iii) Copy of Completion Certificate/ Commissioning Report</p> <p>iv) Letter from the Company to whom the bidder has supplied the thermal wellheads stating success of the product</p> <p>v) Company Profile and details of the Company to whom material has been supplied etc.</p>
